Respectful Ram Mohana Reddy Guddeti

Congratulations!

We are pleased to notify you of your selection for appointment as an IEEE Computer Society Distinguished Visitor (DV) and eligibility for Computer Society funded intercity travel for the term of 1 January 2023 through 31 December 2025.

Selection as a Distinguished Visitor is highly competitive and is reflective of your remarkable contributions to the profession, IEEE, the IEEE Computer Society as well as the technical community in general.

The next step in the appointment process is for you to respond to Eric Berkowitz ([e.berkowitz@computer.org](mailto:e.berkowitz@computer.org)). We ask that you provide the following:

- A statement of your acceptance of this appointment and support of your employer unless you are self-employed.
- Your name as you would like it to appear on the certificate of appointment as a DV.
- Your address and contact information for posting on the DV web page.
- A photo that you would like to go along with your contact information on the DV web page.

In early 2023 we will have an online orientation (30 – 45 minute) for all new DVs to discuss policies and procedures of the program.

DV will remain your prestigious title and role even after your term expires. We look forward to having you as a member of the ongoing IEEE DV program.

On behalf of the IEEE Computer Society - Congratulations!

Yezid E.D. Meisel
